SUNOL DISTRICT WILL DECIDE ON H. S. ANNEXATION

Voters of the Sunol area soon will have the opportunity to decide whether they wish to annex to the Washington Union High School District or to the Amador Valley Joint Union High School District.

It was decided at a meeting of the two high school districts and the Sunol Elementary School District Wednesday evening in Sunol that a petition be circulated among the voters of Sunol favoring the joining of the Amador district.

PETITIONS CIRCULATED

Should this petition fail to get the necessary majority, then a petition favoring the joining to the Washington district will be circulated.

If this second petition fails of a majority, the matter will then be referred to the county superintendent of schools for his recommendation as to further procedure.

Presently, high school students from Sunol are attending both Washington and Amador high schools, the choice resting with the students. Approximately 35 go to Sunol and 13 to Washington.

COST TO TAXPAYERS

Cost of educating these students is borne by the Sunol taxpayers with a tax levy of 32 cents. This compares with a high school district tax of 75 cents for both Washington and Amador districts.

At Washington, their education costs $224 per student per year, while in the smaller Amador district the cost runs to $400.

Although no official opinion has been expressed, the apparent sentiment, reflected in Wednesday's action, is that Amador Valley needs and wants annexation of the Sunol area. The three million dollars of assessed valution would be highly desirable to Amador district, which now has an assessed valuation of around only seven million dollars. The Washington district has a tax base of 22 million dollars.

NEW LAW POSSIBLE

In the event that annexation to either district is declined by the Sunol voters, it is quite probable that a state law will be passed requiring annexation to a high school district. At present, there are eight areas in California which are a part of no high school district, which would be affected by such a law.

Present at Wednesday's meeting from Washington Union High School District were: Trustees A. E. Alameda, S. G. Scott, E. A. Quaresma and Principal J. V. Goold.

NEWARK CHAMBER PROTESTS SERVICE

The Newark Chamber of Commerce, perturbed over the prospect of not having dial telephones until 1950, this week took action to bring the delay to the attention of the State Public Utilities Commission.

A letter to the commission was authorized, which will point out as well that new businesses in the town are not able to get telephone service.

President J. R. Truscott appointed the following on a committee to study the matter of building sidewalks along Dairy avenue: Arthur Cotton, Kenneth Foster, Paul Gygax, James Robertson, James Collins, Chester Gunn and Jack MacGregor.

MYRON WILLIAMS DIES SUDDENLY IN SAN FRANCISCO

Myron Parker Williams, 51, a former resident of Centerville, died while in San Francisco last Wednesday.

Better known to his friends as "Bill," he had been in San Francisco because of the serious illness of his wife, who is in Stanford Hospital.

A native of California, the deceased had been making his home in Bakersfield for the past several years. He is survived by his widow, Mary Lou; his mother, Mrs. Eva Williams; and by the following brothers and sisters: L. S. Williams, W. Burdette Williams, Nell and Vera Williams, all of Centerville, and Irving Williams of Bakersfield.

Mr. Williams, while living in Centerville, acted as field superintendent for Booth for many years. Later he became part owner of Williams Bros., shippers and growers.

When he left for Bakersfield, the business here was divided between Lee Williams and another brother, Burdette, who each have packing seds of their own, the former in Centerville and the latter in Irvington. In the south, Bill operated a large produce business in Delano, which suffered a loss by fire of $125,000 in recent years. The loss was covered by insurance, however.

Services will be held at Pratt-Flierl Mortuary in Hayward, 1044 C street tomorrow (Saturday) at 9 a.m.; thence to the Miller and Skelton Mortuary at 1015 20th street in Sacramento where services will be held at 2:30. Entombment will be at the East Lawn Mausoleum in Sacramento.

RED CROSS WILL ELECT OFFICERS

The regular meeting of the Washington Township branch of the Oakland Chapter of the American Red Cross will be held next Thursday night, September 30, at the Memorial Hall at the St. James Episcopal Church in Centerville, according to an announcement this week from the officials.

The annual report will be given and an election of officers will be held.

All of those in the township who contributed are invited to attend this open meeting.

FINAL RITES FOR MRS. ELSIE SILVA

Funeral services were held Tuesday from the Chapel of the Palms in Centerville for Elsie Silva, wife of Anthony Silva of Irvington.

A former resident of Centerville and a native of California, the deceased is also survived by a daughter, Mrs. Elsie Cardoza of Milpitas, a son, Leland Silva of Centerville, and a sister, Mrs. Lester Piers of Oakland. She was a member of U.P.P.E.C. of Centerville, Council No. 19, and the S.P.R.S.I. of Centerville, Council No. 4.

FIRST MEETING

The board of the Irvington Parent-Teacher Association will hold its first meeting of the school year Friday, September 29, according to Mrs. Ed Haynes, president. First membership meeting will be on October 7. Both meetings will start at 8 p.m.

Presently, the association is putting on a membership drive through contact of parents by their children.

HOSPITAL DISTRICT NOT ELIGIBLE FOR AID THIS YEAR

The recently created Washington Township Hospital District is not eligible to receive federal and state funds for the construction of a hospital here in the 1949-50 fiscal year, it was revealed last night at a meeting of the directors at Washington Union High School. This fact was made known in a letter to the board from the State Department of Public Health.

The health department has explained that the federal government has made available only $2,000.000 for statewide hospital construction and that only the needs of nine areas designated as most critical can be taken care of in the next year.

AREA REVISION

Earlier this month the state department, on instructions from the federal government, had enlarged various "areas" on which allocation of the funds is based. Washington Township has been included in the Santa Clara County area.

Thus, although the township has no hospital facilities whatever, consideration of its future needs is tied up with hospitalization factors of Santa Clara County, which is regarded by the state as being close enough to serve the township population.

The local hospital board may make application at some later date for consideration in the next allocation to be made by the State Department of Public Health.

RESOLUTION PASSED

A resolution was passed by the board asking that the names of candidates for election to two places on the board be included on the November ballot.

The terms of A. E. Alameda and M. F. Silva will expire this year. They will be eligible for re-election for four-year terms. When the board was organized, lots were drawn to determine which members would hold short terms, which were drawn by Alameda and Silva.

DEATH TAKES THE OLDEST NATIVE

Funeral services were held Thursday, September 23, from the Chapel of the Palms in Centerville, for Edwin Matthew Hawley, 90, a native of Alvarado and member of a pioneer Alameda County family, who died at his home in Centerville last Monday after a long illness.

Son of the late James Hawley, who pioneered the contracting trade in this county, the deceased was in the lumber business about the Bay Area until his retirement several years ago.

He leaves his widow, Mrs. Mary B. Hawley, and was the father of Mrs. Grace Dixon and James K. Hawley of Oakland, the stepfather of M. E. Coulter of Berkeley, and the brother of Mrs. Mae Paterson of Oakland. Also surviving is a grandson, James E. Hawley.

He was the brother of the late Charlotte Whipple, Emily Ingalls, Clara H. Patterson and Elizabeth Beard.

Said to be the oldest living township native, he was a member of I.O.O.F. Crusade Lodge No. 93 of Alvarado, U.P.E.C. Council 61 of Decoto, and W.O.W. Maple Camp 146 of Centerville.

Interment was at Cypress Cemetery, Decoto.

JUNIOR CHAMBER AWARDS PRIZES

Prize winners of the photograph contest sponsored recently by the Niles Junior Chamber of Commerce were announced this week by Contest Chairman Frank Stewart.

Winner of the first prize is Genevieve Smith, who received a Kodak Vigilante camera, donated by the Bear Photo Service, and $7.50 in cash.

Second prize winner is W. M. James, who received $7.50 cash.

Contest judges were Lew Musick, John Brahmst and Mrs. Gladys Williamson.

PROWLER IN NILES MAKES SAD MISTAKE

Edgar Washburn, Oakland bus driver, should have known better.

Tuesday evening he came to Niles, although it is quite probable that he didn't know he was in Niles.

Anyhow, he looked around. He parked his car on D street near Second and wandered over toward First. He wandered into the wrong yard.

It happened to be the home of Deputy Sheriff Bob Moore!

The deputy, disturbed by being "peeped" at, at 10 o'clock at night, went outside to investigate. He saw a man running. He got in his car and followed.

He arested the prowler, who pleaded guilty to a charge of vagrancy in Judge Norris' justice court Wednesday morning and paid a fine of $25. Washburn admitted in court having had a few too many drinks.

GIRL SCOUTS IN WEEK'S DRIVE FOR VOLUNTEERS

Washington Township Girl Scout leaders will play the leading roles in arousing the interest of community organizations, churches, schools, civic groups and parents the week of September 22 to 29. Girl Scout leaders, under the chairmanship of Mrs. Marie Vervais of Niles, and her assistant, Mrs. Lydia Orsetti of Centerville, will participate in the Hayward Area Girl Scout Recruitment drive for volunteer workers on those dates. Washington Township Girl Scouts are affiliated with the Hayward Area Council.

Volunteer recruits for the Girl Scout organization in the Hayward Area will be invited to attend an open house "Get Acquainted' tea and program on Thursday afternoon from 1 to 3 p.m., September 30.

Tea will be served in the Girl Scout Cabin in Hayward Memorial Park, where newcomers will be introduced to Girl Scout adult leaders and volunteer workers in the Hayward Area.

A question and answer session will be conducted so that newcomers can become more familiar with activities and function of Girl Scout Volunteer workers.

Represented will be Washington Township, Ashland, Hayward, San Lorenzo and Castro Valley.

Mrs. Vervais represented Washington Township Scouters at a meeting last week of the district chairmen of Hayward Area in the Hayward city hall. Plans for the campaign were outlined and the need for volunteer workers to assist the youthful Girl Scouters and Brownies were of primary consideration.

It was stressed by Mrs. Zella Davis, area executive secretary, that to date there is a list of more than 1,000 girls of scouting age waiting to enter troops. In Washington Township, which lists 183 active Scouters, there are more than 200 girls on the waiting list. It was emphasized the only reason these youngsters are deprived of participating in scouting is that there are not enough volunteer workers as needed to organize and guide new troops.

"Women unable to devote any more than an hour a week to Scout-

It's Fifty Dollars

"School's open—take it easy." Now that school days are upon us again, auto drivers should pay particular attention to driving cautiously in school zones. The Safety Patrol boys do their part in helping children through the traffic, but they need the cooperation of you, the driver. Be sure you come to a full stop when signaled by a School Patrol boy. If you disregard a signal given by a patrol member, you may, under the new law, be fined $50 or sentenced to five days in jail.

POST OFFICE AT IRVINGTON TO BE DEDICATED SUNDAY

Formal dedication of the new post office building in Irvington will take place at 2 o'clock p.m. Sunday, with activities to continue for the afternoon, according to George Oakes, who has served as committee chairman in charge of the dedicatory program for the Irvington Chamber of Commerce.

President Vernon Leal of the Chamber will act as master of ceremonies, introducing Joe Blacow, who will make the brief address of dedication.

Postmaster Manuel Joseph will make formal acceptance of the new building. Then Jack Gaunt will provide music with his accordion.

Following the dedication, a folk dancing exhibition will start at 2:30. More than 200 dancers will participate.

Sports fans who want to see the stellar Irvington Merchants baseball team perform can witness a game between the Merchants and the San Francisco Junior Seals at 2:45.

Serving with Oakes on the committee in charge of the afternoon's program are: Walter Connolly, Joseph Rose. Harold Speitzen, Edw. L. Rose and Gus Robertson.

TOWN CHAIRMEN NAMED FOR COMMUNITY CHEST

The big opening-gun meeting of the general chairmen and township chairmen of the Community Chest Drive, soon to open, will be held next Thursday evening, September 30, in the cafeteria of the high school, starting at 7:30.

General Chairmen Warren Gravestock and Col. Eugene Manning are requesting that all township chairmen be present for this meeting in order to discuss ways and means of putting over the drive and arriving at the quota, set for $7,000. The funds are used for Boy Scouts, Girl Scouts, the Salvation Army, U.S.O., and Travelers' Aid.

Although the list is not yet complete, the following have already been named to assist: Alvarado, Walter Oakey; Centerville, Dr. E. M. Grimmer Jr.; Decoto, Bernie Joseph and Kenneth Garcia; Irvington, Mrs. Ann Mayock; Mission San Jose, Lois Bottenberg; Newark, James Robertson; and Niles, E. D. Bristow. The names of more chairmen will be announced next week.

LOCAL VINTNERS RECEIVE AWARDS

Two local wineries walked away with some top honors at the State Fair in the Alameda County exhibit, according to a report from fair officials this week.

Mrs. Ann Mayock of the Los Amigos Vineyards, Mission San Jose, won gold medals for her Chablis and Reisling wines, bronze medals for her Claret and Pinot Noir, and Honorable Mention for her Zinfandel and Burgundy.

The Weibel Champagne Vineyards, also of Mission San Jose, took a gold medal for their Sweet Vermouth, and Honorable Mention for their Pink Champagne.

NIGHT SCHOOL HAS LARGE ENROLLMENT

A total of 165 people have enrolled in the adult education classes at Washington High, with enrollment expected to increase before the week is over, according to Warren Gravestock, evening school principal.

The most popular classes so far are the folk-dancing, the carpentry class for apprentices, sewing, adn woodship.

Those desirious of having other classes started may do so by getting 15 or more signatures and presenting the mto Mr. Gravestock.

1096 MEN REGISTER

Sign-up for the draft registration in Washington Township was 1096 men, according to figures released by Col. Eugene Manning of Centerville, chief registrar. It had been estimated that the registration would total more than 2500.

DECOTO VOTES SEWER BONDS; INCUMBENTS WIN

Authorization of a $6,000 bond issue for the completion of its sewer system was voted Monday by the Decoto Sanitary District, the proposal carrying 170 to 10.

All incumbent commissioners in the four sanitary districts of the township were returned to office in the elections Monday. Chester Gunn of Newark was elected as a write-in candidate to fill the post held by the late M. D. Silva, who had filed for election.

Incumbents re-elected were:

Niles Sanitary District, E. E. Dias and J. J. Alberg.

Union Sanitary District, George Coit of Centerville and S. G. Scott of Newark.

Decoto Sanitary District, Bernie Joseph, Manuel White and Fred Sanchez.

Irvington-Mission Sanitary District, Leonard Freitas, William Rose and R. J. Wright.

IRVINGTON CHAMBER PLANS PARTY FOR BASEBALL TEAM

The Irvington Merchants baseball team, which has brought distinction to the town by a remarkably successful record this season, will be honored Saturday evening, October 2, at a buffet dinner dance at Maple Hall in Irvington.

Sponsoring the evening's festivities will be the Irvington Chamber of Commerce.

There will be a four-piece orchestra for dancing, and good fare in entertainment has been arranged by Harold Speitzen.

Tickets for the affair, selling at 2.50, are available from Chamber members. The public is invited.

Serving on the committee under the chairmanship of Walt Roethlin are Cliff George, Emery Button, George Oakes and Vernon Leal, president of the Chamber.

DECOTO BURGLARY NETS SMALL CHANGE

Burglary of the J. L. Olsen grocery in Decoto with theft of $13 in small change was reported to the Alameda County sheriff's office Monday morning.

Also reported were the attempted entry of the Decoto post office building, the Decoto Shoe Repair Shop and the P. J. Falletti service station.

Deputy Sheriff Carl Degnan, who investigated, said that $36 was overlooked in the Olson burglary. Entry was gained by a back window. Attempts to enter the other buildings were clumsy and unsuccessful, he said, indicating the work of amateurs.

JUNIOR COLLEGE HEARINGS SET

Last public hearing s on the proposal to establish a junior college district in Alameda County will be held this week and next, with meetings scheduled as follows, at 8 p.m. All meetings are to be held in the elementary school auditoriums.

Monday, September 27—Alvarado, George Hocking, chairman.

Tuesday, September 28—Decoto, H. A. Searles, chairman.

Wednesday, September 29—Alviso, Frank Faria Jr., chairman.

Friday, October 1—Niles, H. L. Scott, chairman.

The hearings are required by law to aquaint the public with the proposal, which will be voted on at a special election December 14.

CYCLIST INJURED

Bobby Martin, Hayward, received minor injuries last Thursday afternoon when he lost control of his motorcycle and crashed near the Holly Sugar plant at Alvarado. He was taken home in the Dallas Paul ambulance from Centerville.

When the Portola Expedition arrives from the south at Mission San Jose on October in re-enactment of the history-making journey of Don Gaspar de Portola and his party to San Francisco Bay, Washington Township will mark the occasion with appropriate observances.

The party of 40 horsemen will arrive at the Mission in the afternoon and will camp for two days on the grounds of the Mission San Jose Elementary School.

General Chairman Edw. L. Rose of Irvington announced this week that welcoming ceremonies are set for 6 p.m. on Saturday, October 9. After the formal welcome, there will be folk dancing until 9 o'clock and festival dancing at the I.D.E.S. pavilion starting at 9 o'clock.

On Sunday morning, October 10, the Portola party will parade to St. Joseph's Church to celebrate mass at 9:30. Then it will continue on its northward journey.

The ceremonies will be in charge of the Y.M.I. of Washington Township, St. Jude's Institute, Y.L.I., of Irvington, and De Guadalupe Institute, Y.L.I., of Niles.

Serving on the committee are De Guadalupe Y.L.I.—Mrs. Louis Cardoza, Mrs. Murphy and Mrs. Jack Holland; St. Jude's Y.L.I.—Bertha Rose, Isabel Vargas, Mrs. Alfred Peixotto, and Evelyn Rose; Y.M.I.— George Enos, Anthony Silva, Clifford Rogers, Harry Rose, Walter Zbyinsky and Leland Telles.

RECREATIONAL HALL DEDICATION NEXT SUNDAY IN NILES

With but 1,500 lacking to pay for the total cost of the new recreation hall annex of the Niles Congregational Church, the board of trustees feels confident that the remainder will be forthcoming somehow and has accepted the low bid of $8,800 by contractor L. M. Potts, and has authorized him to go ahead on construction.

Ground-breaking ceremonies are to take place this Sunday following the regular 11 a.m. service, the Rev. Donald Kirkbride, pastor, planning the program.

The low bid of $8,800 includes only the building itself and does not include such items as heating, light, etc. The building will consist of one room and a stage. Those who had hoped to have a fireplace are still confident that some generous person or persons will see fit to make that possible by providing the necessary $600.

Already the response to the recreation hall project by the members and friends of the church has been most gratifying. In addition to the original $5,000 donated by Mrs. W. H. Ford for such a structure, the funds have been swelled by a gift of $1,000 from Mrs. Robert Swayne of Alameda and by other substantial gifts from local people.

HIGH CHATTER

By MARGARET COLE

High school is fun! Take lunch period, for instance. It's a fashion show, a beauty contest, a news and joke exchange, an impressive display of brawn and muscle, sad to say, a fertile field for the gossipmongers. And what a mine of practical information!

Gerry Miller, member of the C. H.B.S.U. (Canyon Heights Baby Sitter Union), comes through with some commonsense on the care and feeding of babies.

Feeding time: The feeding of the baby depends a lot on the kind of food and the manner in which it is presented. If baby is NOT a bottle baby, Mother feeds it naturally. If it IS a bottle baby, Dad feeds it.

Teething: Most babies growl but seldom bite until they get teeth. When the first tooth shoots out—watch out! Now is the time to let the baby choose between gadgets and digits. Babies will bite on anything and everything except Daddy's jokes.

Overheard at lunchtime were loud, approving comments on the identical sweaters worn by Elaine Borge and Frank Correia. There's always a great deal of talk about clothes among the girls. The boys, too, are clothes-conscious but not quite so obviously. Their awareness of style and fashion usually comes out in the form of snide remarks and it is the opinion of a number of people that they are remarkably unoriginal in their criticisms.

A group of girls were discussing that article in a city paper predicting that from now on skirts will be shorter. Most of the prominent dressmakers are modeling skirts that are shorter and less voluminous, although Dior is sticking to full front pleats. Helpful, isn't it? Especially when your mother is saying, "That is absolutely the last thing you're buying and furthermore I'm sick and tired of thinking of your clothes." Seems that the small fry have to be clothed, too, but they come last because they don't care enough about what they wear to make a noise about it.

While on the subject of clothes: Just how comfortable are those high-heeled boots worn by the cowboy set? They remind one of the popular limerick that goes something like this:

There was a young lady of Twickenham
Whose boots were too tight to walk quickenham.
She walked for a mile and came to a stile;
And took off her boots and was sickenham.

LARGEST CROWD EVER AT ANNUAL KRAFTILE PICNIC

The biggest crowd ever to assemble at a Kraftile picnic motored over to Flood Park in Palo Alto last Saturday for the annual affair. There were 150 present, all luncheon guests of the Kraftile Company here in Niles.

The highlight of the day, perhaps, was the presentation by Charles "Chuck" Kraft to Tony Janeiro of a handsome gold watch as a tribute to his 20 years of service to the company.

Following luncheon the day was spent in games for the children and adults, with many prizes being given.

Did the following conversation really take place or is someone spoofing the press?

Jimmy: "I feel just like the bottom of a fire this morning."

Merle: "How's that?"

Jimmy: "Oh, great!"

Remember to ask Alma Clark to tell you the one about Mr. Rabbit. Remember, too, if any of the foregoing jokes have whiskers, an eminent authority on humor, Stephen Leacock, says, "There is no such thing as a new joke."

Someone suggested the other day that we have a "Be Kind to Freshmen Week" but the Girls' League has made this unnecessary for this is "Big-Little Sister Week," meaning that every Senior makes it her business to see that her particular freshman is made to feel at home at Washington High. Presumably the freshman boys can take care of themselves. (Why isn't there a Boys' League?) On Friday the League will regale the freshmen with a musical program and refreshments.

At the well-attended P.T.A. meeting last Thursday, Mr. Gravestock introduced those of the teachers who were present and Mrs. James, the new president, asked the mothers to rise and introduce themselves. "Pop" sent a message regretting his absence, explaining that he had some pressing business elsewhere. The mothers say that they were most enjoyably entertained by Bob de la Torre's dreamy songs and consider that the versatile Jack Gaunt could, with his accordion, give real competition to Dick Contino.

FLASH!!!

All students are advised to gargle regularly between now and October 8. On that date all classes will participate in the Song and Yell Contest. The Seniors are pretty confident, their class having won last year, but from all indications their hold on the championship is shaky.

The bay area is served by four Class 1 railroads.

BOY SCOUT ACTIVITIES

The annual meeting of the Southern District of Boy Scouts was held at Trinity Episcopal Church in Hayward recently with Allen Norris, Fred Duffie and Ed Enos elected to the executive committee of the district. The Rev. Donald Kirkbride was the main speaker of the evening.

Good news to all Scouts is the announcement that Los Muchos Camp will have a swimming pool next summer. Construction has already been started.

The Washington Township Post, American Legion, decided at its regular meeting last Wednesday night to sponsor a Senior Scout troop which will be open to all boys of the township. This is the first time in the history of the township Scouting that such a troop will be in existence. The Senior Scouts take up cruising, extended camping and hiking tours, and/or flying. The Legion made the decision to sponsor the troop following graphic talks on Senior Scouting by Frank Buck, Senior Scout field executive of the district, and Dr. Julius Levine, Senior Scouter from Hayward.

Fred Duffie has been named chairman of the rally committee and has announced that the annual rally will take place some time in November. The following committee has been appointed: Phil Sousa, Norman Luna, Tom Robbins, Orion Dunbar, William Short and Richard Texeira.

NOVEMBER CARD PARTY

Twenty-four members of the Home Arts section of the Country Club met for their regular monthly supper meeting last Tuesday at the Country Club. Mmes. Loren Marriott, Ralph Goodwin and Arthur Belshaw were hostesses.

The main business of the evening concerned plans for a card party to be given for Country Club members in November.

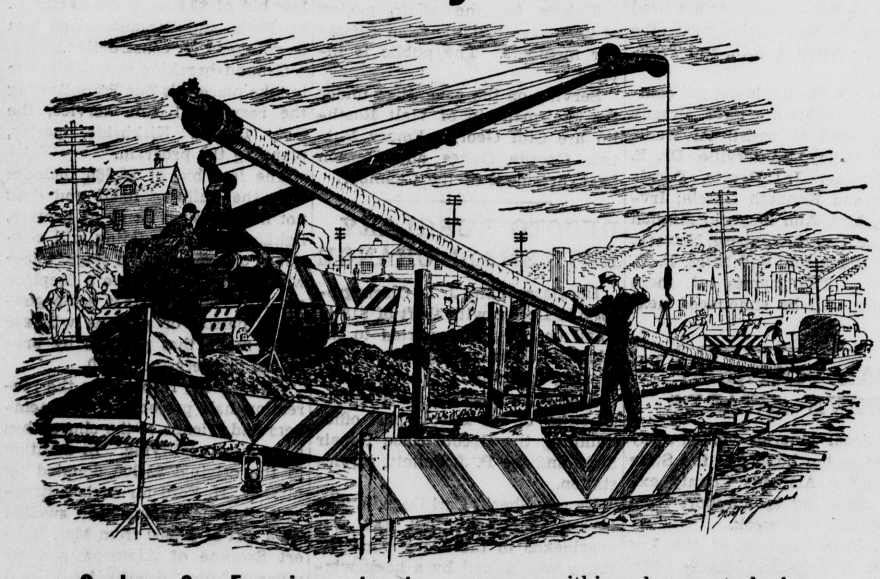
New gas-packed pipe carries huge voltages under city streets



On busy San Francisco streets motorists soon will be driving over 110,000 volts. They won't know it, of course. For the tremendous voltage will be safely transmitted in a new underground power-carrying cable, with a new insulating feature ...nitrogen gas held at 200 pounds pressure within a heavy steel pipe jacket. Pacific Gas and Electric Company crews are rushing construction of the first eighteen miles of this new underground cable in San Francisco. It is just part of our program to bring you an ever-improving electrical service.

More power than ever before can be carried underground in this cable. An outer coating of a mineral compound protects the pipe against moisture. The actual insulating job is done by oil-filled paper cable wrappings reinforced by the nitrogen gas under pressure.

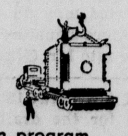
"Filling stations" load the nitrogen in the protective pipe . . . and the cable is ready to transmit electricity underground safely. It's another example of how P. G. and E. uses the most modern means to deliver more power to the homes, farms and factories of California.

For the Record

If damaged, the cable loses gas pressure to send its own SOS...

P. G. and E. is adding almost two million new horsepower of electric capacity...

It's the nation's greatest power construction program.



Work never stops on our power-building program

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

GRAND SUCCESS

The Youth Center Picnic at Alum Rock Park on Saturday was really a grand success. Forty-five of the young folks with their invited guests arrived at the post office in Mission San Jose at one o'clock and from there went by truck and car to the park, where some enjoyed swimming, some hiking, and some really being kids again by using the swings, slides and the merry-go-round. Cappy Cunha and Rick Meyers were official fire builders for the weiner roast and Miss Evelyn Chambers and Marlene Fernandez served salads and cakes. After "eats" a man from the recreation department appeared with a record player and loud speaker and the gang danced till time for their return home at eight o'clock. Chaperones for this affair were Mr. and Mrs. Frank Costa, Mrs. Hortense Cunha and Mr. and Mrs. Glenn Bottenberg. Sister Mary Lawrence of the Dominican Convent very kindly loaned their truck to help take the girls and boys, and thanks to her for the use of same.

HONEYMOONERS RETURN

Mr. and Mrs. Robert Oliveria, the former Virginia Lawrence, our newest newlyweds, have returned home this week-end from two glorious weeks spent in Oregon and did they love it. They visited as many places of interest as they could and sent many picture cards back to relatives and friends trying to entice some of us. They arrived home to find Virginia's father, Mr. William Lawrence, very ill with lobar pneumonia. He has been ill nearly two weeks here at his home and the family and he wish to thank every one who has come in and helped and visited for being so kind and thoughtful.

AT THE FAIR

Mrs. Rosalyn Garcia and son, Stanley, accompanied by Miss Edith Rogers, spent last Thursday at the Santa Clara Fair and reported a very good fair this year.

FORTY TO HIGH

Mission San Jose is very well represented at the Washington Union High this year as there are nearly forty pupils who hop on the buses here each school morning and go on to learn more of the three R's, and other things???

BRIDAL SHOWER

At the lovely home of Mrs. Virginia Campagna on Ellsworth street which was beautifully decorated in white glads and dahlias for the occasion, Miss Vivian Maciel of Niles was honored guest at a miscellaneous bridal shower given in her honor by Mrs. Campagna as a future sister-in-law. Miss Maciel announced her engagement some time ago at her home in Niles to David Escobar, son of Mr. and Mrs. Antone Escobar of the Mission. The buffet was very attractive with tall white candles and white gladioli in a half moon around the two tiered cake with white wedding bell. The gifts were many and beautiful. Those present to enjoy the full afternoon were: Mmes. Edward Azevedo, Joseph Azevedo, Frank Vargas, Leonard Cunha, Joseph Garcia, Hardy Burt, Rosalyn Garcia, Herman Medeiros, William Andrade, Joseph Abreu, Elmo Andrade, Edward Andrade, Antone Escobar and Miss Laura Azevedo, all of the Mission; Mrs. Joseph Gomes, Ruth Vierra and Mrs. J. Maciel of Niles; Mrs. Frank Furtado and Mrs. Cris Escobar of Hayward. Refreshments were served in the patio by the hostess.

TO SAN JOSE STATE

Next Monday Rick Myers, son of Grace Myers, will again begin attending classes at San Jose State for his second year. He is taking all preparation for an engineering career. Lawrence "Nonie" Fernandez, son of Mr. and Mrs. Ed Chambers, has enrolled and will also attend State in San Jose and major in physical education in preparation to becoming a coach in sports.

VISITORS

Miss Gerry Fernandez and Nelda Hammond of Centerville spent Tuesday evening at the home of her mother, Mrs. Ed Chambers.

WAKE UP!

Somehow I feel that the town needs a bit of a bawling out for they surely did not back their new trustee and their new principal at all as only three people attended the Junior College meeting on Tuesday evening. Somehow I wonder if all of you are not too sound asleep. Just look what has been attempted in the way of putting over something on "those Mission folks" in the sewerage line. Better wake up, Mission, before we are snowed under.

ABALONE FEED

The Firemen of Mission San Jose enjoyed an abalone feed on Tuesday evening following a fishing excursion by Bill Fernandez and others on Saturday. Only one seems to be ill so we take it that it was a success and all enjoyed themselves.

AT THE AIR RACES

Mr. and Mrs. Daniel Cross and daughters, Edna Mae and Myrna, motored to Hamilton Field on Saturday to attend the air races, see radar in action and visit the hangars and see all the latest planes. They saw the six-motored one, the flying wing and the jet jobs. David Lee, their son, was away with a friend on a hunting trip to Yosemite region and did not get to accompany them.

CANYON HEIGHTS

By MARGARET COLE

FROM SACRAMENTO

Tommy Marshall's mother, Mrs. Eva Marshall of Sacramento, is staying for a few days in Canyon Heights to help with the care of Tommy Jr., who "weighed in" at 5 pounds 2 ounces on September 8. Mrs. Marshall has just returned from a trip to Portland, Oregon.

OFF TO LOS ANGELES

Mr. and Mrs. Welch and son, Delos, left Monday for Los Angeles. The Dales, formerly of Canyon Heights, invited them to spend a few days at their home in Pomona, near Los Angeles.

VISIT FRIENDS

Mr. and Mrs. White and family journeyed to Stockton last Saturday to visit their friends, Mr. and Mrs. A. Hood.

IN MARIPOSA

Mr. and Mrs. Murphy and family went to Mariposa over the week-end to visit Mrs. Murphy's sister. Peggy, Jimmy and Judy had a very exciting time from all accounts. Jimmy, it seems, shot a dove and you can imagine how proud that would make a nine-year-old boy. Little Judy got her eye scratched by a dog, but Peggy came through unscathed.

POOR OSCAR!

Well, I suppose most of you who read about Oscar, the cormorant, last week are waiting for more news of him. But poor Oscar died last Friday. Nobody knows how it happened, and the owners are quite downhearted at the loss of such an unusual pet. Many of the neighbors came to view the remains, after which the bird was given a suitable burial.

A SURPRISE!

Canyon Heights almost made its mark in the world of Natural History. If we didn't, it wasn't for lack of a nice try on the part of Mrs. X of Deer Road. The lady's son captured a fair-sized lizard and put it in a fruit jar. As such it was an object of mild interest to the family. Early in the morning two days later Mrs. X found a tiny lizard nestled comfortably alongside the big one. Lamentably uninfomed, as most of us are, on the habits of lizards, the neighbors joined her in the assumption that "Big Stuff" had given birth overnight. It wasn't until she noticed Son chortling up his sleeve that she discovered that he had put the little beast there, hoping that just such a situation would arise. It's not often that a practical joke succeeds as well as that, and the kids are very gleeful. But are the grown-up faces red!

ANNUAL DINNER

Mrs. Sidney Westray was escorted by son Ronnie to the Tribune Carriers Annual Dinner at the Hotel Leamington on Wednesday.

RESUME OPERATIONS

The Niles Bakery will resume operations this week with the reopening scheduled for tomorrow (Saturday). H. C. Stockwell, the new owner, promises a full line of bread, pastries and cake. He also plans to sell ice cream.

YOUTH CENTER HAS NEW PRESIDENT

Ray Bettencourt was elected president of the Catholic Youth Center of Centerville at a recent election. Other officers are as follows: vice-president, Elva Mae Rose; secretary, Elaine Bettencourt; treasurer, Lorraine Brown; sergeant-at-arms, Frank Senn. The latter, so the members say, makes up in aggressiveness for what he lacks in size (he is the smallest member in the group).

The sponsors of this very active little group, Mr. and Mrs. Phil Sousa, were more than pleased with the outcome of the first meeting of the school year. Several projects were planned, among which was the first regular dance to be held tonight (Friday) at the Parish Hall, with Elva Mae Rose in charge of refreshments. Robert Silva is in charge of the coke concession and Pat Francis will install the flood lights recently purchased by the Center. Another event on the agenda is a picnic to be held in the near future.

Joseph Lewis, retiring president, was highly complimented by Father O'Kane on the fine work he had done in the past year.

P.T.A. WILL MEET IN CENTERVILLE

Centerville Elementary School P.T.A. will hold an organization meeting next Tuesday afternoon, September 28, at 2:30, in the school auditorium.

All parents and their friends are invited to come, meet the teachers, and plan activities for the school year.

The officers for the 1948-49 school year are: Mrs. Ray Rodrigues, president; Mrs. George Roderick, vice-president; Mrs. Jack Holland, secretary; Mrs. Leland Silva, treasurer; Mrs. Tom Maloney, financial secretary; Mrs. Alice King, historian; Mrs. Henry Dias, parliamentarian; Mr. George Roderick, auditor.

ROTARY PROGRAM

Chairmen of four key committees will provide the program for next Thursday's Rotary luncheon at the International Kitchen. They are: Edward E. Enos, club service; Peter Juhl, vocational service; Claire Lopez, community service; E. A. Quaresma, international service.

Radio Personality Lives Here; Offers Her Own Recipes

Too often we are not aware of interesting people living right in our own community. Now and then they come to light and are kind enough to come out of a temporary anonymity and let us write about them.

For example, there is Gladys Cronkhite Giles, living with her husband in what was the old Anderson Academy in Irvington. If you've been a housewife for ten years or more you'll doubtless remember Gladys Cronkhite and her home economics program on the NBC network. She had a sustaining program for a number of years and was much sought after to give lectures and talks before women's groups. Her recipes were considered tops by all of her radio fans throughout the bay area.

GLADYS CRONKHITE GILES

A resident of Irvington for the past five years, Mrs. Giles feels very much at home in this area and wouldn't live any place else. She and her husband do not live alone at their fine old home in Irvington, for they have eight race horses, 50 chickens, a pair of guineas, five peacocks, 40 ducks, two dogs and 17 cats!

Mrs. Giles was recently in the news again when she was interviewed on that popular radio program, "Interesting People," at Station KEEN in San Jose by Trula Hart. (It comes on at two o'clock every week-day.) She graciously gave several of her favorite recipes to the listeners, and has consented to let The Register print the same ones here. She is anxious to know what you think of them after you try them. They come under the heading of "Rocky Way Farm Recipes," for that is the name of their place in Irvington.

CALIFORNIA PRUNE CAKE

½ cup shortening
1 cup brown sugar (firmly packed)
2 eggs, beaten
1 cup cooked, unsweetened prunes
½ cup prune juice
½ teaspoon salt
½ teaspoon cloves
½ teaspoon nutmeg
½ teaspoon ginger
1 teaspoon cinnamon
1 teaspoon baking soda
2 cups all purpose flour
2 cups raisins, seeded
1 teaspoon lemon extract
(a little fresh grated lemon rind may be added for zest, if desired)

Cream shortening and sugar, add beaten eggs, prunes (pitted and cut in small pieces (scissors saves time and effort), then prune juice. Blend. Sift dry ingredients and add to the first mixture. Mix thoroughly. Add raisins and flavoring. Bake in paper lined loaf pan, in moderate oven (350F) about 1 hour. Cool thoroughly before cutting cake.

DOBYNS BREAD AND BUTTER PICKLES

25 medium cucumbers
10 medium onions (white variety preferred)
½ cup salt
1 pint vinegar
½ pint water
2 cups sugar
2 teaspoons mustard seed
2 teaspoons celery seed
½ teaspoon tumeric

Slice onions and cucumbers to desired thickness. Place in large bowl or enamelware pan, in layers sprinkled with salt. Allow to stand 2 to 3 hours. Drain

Mix remaining ingredients and bring to boil. Add cucumber and onion mixture. Boil 5 minutes. Place in sterilized jars. Seal.

Makes approximately 10 pints.

Note: If you like a crisp, zesty pickle—not too sweet—you will like this.

Niles Man Engaged To Washington Girl

A dinner party Sunday, given by Mr. and Mrs. A. M. Alves of Niles served as the means of announcing locally the engagement of Howard A. "Buddy" Alves, their son, to Miss Lola Anderson, daughter of Mr. and Mrs. Clyde Anderson of Opportunity, Wash. Buddy is employed at the Niles Electric Company and his bride-to-be is employed at the Alameda Naval Air Station. The two have decided to be married next summer in Washington.

Guests at the announcement dinner were the honored pair, Mr. and Mrs. John Alves, Mr. and Mrs. Ruel Brown and children, and Mr. Frank McGowan. The young couple was presented with a handsome gift.

Alibi Time

Now that the deer season is over, the hunters are back home reminiscing and telling about "the buck that got away." Ernie Frick lays his failure to bring back a deer to the fact that the terrain was covered with manzanita. "The deer would just hide behind a manzanita bush and stand there and laugh at us, and we couldn't see 'em." He was up at Carson Pass with a couple of hunting cronies from Hayward.

Roland Bendel Jr. Off to Florida

Ensign Roland Bendel, son of Mr. and Mrs. Roland Bendel of Niles, has been transferred from Treasure Island, where he has been stationed for the past few months, to Pensacola, Florida, where he will enter the Air School.

John and Joyce Ferrante Parents of Daughter

Word comes from Honolulu, T. H., that Lt. and Mrs. John Ferrante are now the parents of a daughter, Jane Marie, born September 5 at the Navy Hospital at Honolulu.

The Lieutenant's mother, Mrs. A. Ferrante of Niles, who has been with the young couple since August 16, is now on her way home on the Navy transport General Brickenridge and is expected to arrive in San Francisco on the 30th.

The new parents are hoping to be in Niles with their infant daughter in time to celebrate Christmas here.

In Southern California

A belated news item about a summer vacationer is that of Mrs. John Berchem of Niles who recently returned from a vacation in San Gabriel where she was the house guest of a former shipmate in the WAVES, Miss Dorothy Montgomery. The two girls "did the town," taking in several broadcasts, including those of Bob Hope, and Nelson Eddy, among many other notables, and saw several shows, one a stage show, "The Student Prince." They also dined at some of the better-known spots, Romanoff's among others. And movie stars—they saw them galore! "Everywhere we went," said Mrs. Berchem, "we'd run into a different movie star."

Touring New York

Mr. and Mrs. Manuel Oliveira and daughter, Mrs. Matilda Enos, are touring New York state, where they will visit with Mrs. Leslie Roch and family, another daughter. Mr. Oliveira, who has never seen his four grandchildren, has been anticipating the visit with a great deal of pleasure. Before leaving here, he celebrated his 75th birthday with his immediate family present, comprised of four generations, little Wayne Jacinto making the fourth.

The Oliveiras stopped off at New Orleans, before going on to New York. They expect to return within a month.

Their First

Mr. and Mrs. Donald Bragg of Newark are in the throes of young parenthood now, with the birth of their first baby, a boy, at the San Jose Community Hospital on September 12. The little lad, weighing 7 pounds 9 ounces at birth, has been named Stephen Michael. His mother is the former Gertrude Delgado. His daddy is employed in the offices of Morton Salt.

NEWARK MEETING ON J.C. PROPOSAL

By BETTE COTTER

Hearing on the proposal to establish a junior college district embracing all of Alameda County and part of Contra Costa County was held Monday in the Newark Elementary School, with S. G. Scott as moderator.

Dr. J. H. Williams from the county office of the Superintendent of Schools explained the proposal.

The main points considered were: (1) Alameda County is the last metropolitan area in the state that has no junior college; (2) 2,600 students from Alameda County are attending colleges in other counties at a cost of $375,000 per year to taxpayers of the county; (3) there are many young people who would attend junior college if one was available for them.

The district could have more than one campus, so the commuting distance would not be great. The courses given would include academic studies that would permit the student to go on and finish a four-year course at any university. It would also include one and two-year courses to train students for immediate appointments to positions requiring semi-professional or business training.

'LIFETIME' HOME GIVEN AS PRIZE

The Home and Appliance Show held at the Oakland Exposition Building closed Wednesday night with the award of a "Lifetime Home," built by the Claude T. Lindsay Company of Decoto.

CENTERVILLE SCHOOL

SCHOOL CAFETERIA

Students may secure a warm, well balanced lunch in the school cafeteria. This includes a main dish, consisting of meat, fish or egg, vegetables, bread, a bottle of milk, and dessert. The price of the lunch at the present time is 20 cents. Students may purchase a half pint of milk at 10 o'clock recess or at noon for four cents. The operation of the cafeteria is made possible through the cooperation of the Board of Trustees and the P.T.A.

DANCING CLASSES

Carol Jeanne of Livermore conducts dancing classes in the Centerville Eelementary School auditorium on Thursday afternoons at 2:20 o'clock. Classes are graded according to age and ability, and include tap, acrobatic, ballet and toe dancing. Students who are interested may receive this instruction after their regular school classes have been dismissed. A registration fee is charged.

WOLVES, BEWARE!

When is a deer-hunter not a deer-hunter?

Ask Billy Ramsey, 16-year-old son of Roy and Leona Ramsey of Niles. He'll give you the answer, thus: "When a deer-hunter goes out for deer and comes back with a wolf!" Up in Modoc County recently Billy saw a wolf and shot it. (A real one, you know, not the kind that whistles.) In addition to the wolf, he also shot a rattle-snake. The latter, he claims, put up a much better fight than the former, leading one to believe that there is a touch of cowardice in a wolf!

Baby's Birth 'Snafus' Luncheon

The guest of honor at a "mother and daughter" luncheon given by Mrs. T. H. Elliott of Niles last Wednesday failed to appear. Mrs. George Coefield had a very good alibi for her absence, however, because she had just become a third-time mother that very morning. A son, Richard, was born at the Alameda Hospital. Richard has a brother Don, 5, and a sister Alice, 3.

In spite of the absence of the guest of honor at the luncheon, the other guests had an enjoyable afternoon. They were: Mrs. C. E. Anderson of San Jose, Mrs. J. H. Durham of Irvington, Mrs. Howard Overacker of Mission San Jose, and Mrs. Kenneth Foster of Newark.

Luncheon Hostess

Mrs. Lyle Buehler of Niles was hostess at a luncheon last week which also served as a sort of class reunion for former college classmates. Those present included Mmes. Harold Hildreth, "Tip" Bell, John Stojanovich, William Jennings, Clinton Pike, Frank Covel and Bob Doehr.

Niles Couple Return From Cross-Country Tour

Peggy and Clarence Crane arrived home in Niles last Saturday in a brand new DeSoto after having taken a 16-day cross-continent tour of the United States. They traveled to Chicago via "The City of San Francisco," went on from there to Detroit where they picked up their new car, then they really started to see things. They went on to Niagara Falls, took in the city of Buffalo, and arrived at the queen of all cities, where they stayed at the Commodore Hotel. They were a little aghast at all the flurry and welcoming committees at the hotel when they first came in, but soon discovered that Henry Wallace was expected within 20 minutes! In New York, Peggy did some shopping at the world-famous Saks Fifth Avenue, and took in a broadcast of two, including that of Fred Waring. "It was hot," said Peggy, "but it rained, too, so that cooled things off a bit."

In Blenheim, Canada, Clarence attended a Rotary meeting where, as a tribute to him as a visiting American, they sang a verse of "The Star Spangled Banner" after having sung their own "God Save the King." And in a Chicago night club, Peggy managed to get an autographed recording of Sophie Tucker. The inimitable Sophie, according to Peggy, "is pretty well preserved, and her voice isn't as hoarse as so many of those old time singers." All in all, the Cranes had a wonderful time. "It was the first time I'd been anywhere east of Nevada," said Peggy.

Brunellis Return From Trip East

Mr. and Mrs. Romeo Brunelli of Niles returned Tuesday, September 14, from a four weeks' trip which took them as far east as New York, covering 8000 miles.

Purpose of the trip was to drive their son, Richard, and Cyrus Caldeira to Flint, Michigan, where the young men enrolled in the General Motors Institute to begin a two-year course of mechanical and business study. Both boys, who had been working at the Chevrolet Company in Centerville, are Washington High graduates. Young Brunelli also studied at St. Mary's and Santa Clara universities. Cyrus Caldeira graduated from Washington Union High in the class of 1947.

Mr. and Mrs. Brunelli did considerable sight-seeing on their return trip, taking in Niagara Falls, the Badlands in South Dakota, and Yellowstone National Park.

FOUR TOWNSHIP HOMES TO BE ON DISPLAY AT BENEFIT FLOWER TOUR AND TEA

Four township homes will be open to the public when the Welfare Club holds its flower-arranging show and tea on October 26.

The affair, which will be a gay and altogether entertaining one, nevertheless has its more sober aspect for the proceeds will be used by the club for its never-ending battle against want and poverty. Tickets will sell for $1.50, which will include tea.

The homes to be open will be those of Mrs. Thomas Power, president of the club; Mrs. Joe Adams, Mrs. Alwin Searles, and Mrs. L. E. Bailey.

Mrs. Power's home, of Colonial style, will feature a formal table setting. She will have an arrangement on the mantle, and a breakfast table set for two. The bedrooms in the home will also have appropriate floral arrangements.

Mrs. Adams' home will show a table arranged to appeal to sports' lovers, for it will display the appointments for a duck-dinner.

Mrs. Searles' home will carry out the Victorian theme in arrangements, and the tour will wind up at Mrs. Bailey's home where a Thanksgiving dinner table will be set. Tea will be served in the Bailey patio.

Completion of the plans were made at a luncheon at Mrs. W. L. McWhirter's home last Monday, where members of the committee met for discussion. Mrs. McWhirter will be general chairman in charge of flower arrangements.

Tickets may be purchased from any club member.

Judy Hill Will Transfer to Stanford

With Judy Hill, daughter of Mr. and Mrs. A. B. Hill of Alvarado, transferring from Radcliffe College in the east, to Stanford, the Hills are not in quite the same hectic state of preparation as this time of the year has found them since Judy started to Radcliffe as a freshman. She will now enter her senior year at the Palo Alto university, so the mad rush in getting her ready doesn't take on quite the proportions that it would were she to make the trip east rather than just across the bay. She will live on the Stanford campus.

Judy's entrance into Stanford will close the usual busy summer season for the Hills. They had a very enjoyable trip in their new car up to Agate Beach in Oregon at the end of July. There they visited friends and got in some good fishing. This was followed, at the opening of the deer season, by some good hunting on their ranch in Marin county. Mr. Hill bagged two, Judy another, and Mrs. Hill "shot at a great many."

Niles Couple Feted On Anniversary

Mr. and Mrs. Dane Smith of Niles had a very happy anniversary celebration last Saturday evening at the home of Mr. and Mrs. John O'Loughlin of Altamont. Commemorating their sixteenth year of connubial bliss the pair was feted at a barbecue which was attended by three other couples. They said they had a "wonderful evening" and will remember their sixteenth anniversary for a long time to come.

At the Ball Game

Witnessing the defeat of the San Diego ball club last week at the hands of the Oaks were Marvin George of Niles, and Jack Myrick and his mother, Mrs. C. N. Myrick, of Centerville. Accompanying them to the game was Miss Exie Foster of Oakland.

Warm Springs Man Weds Bakersfield Girl

Married in the McCurdy Youth Chapel of the Presbyterian Church in San Jose last Saturday were Dorene Mae Jensen of Bakersfield and Mr. Eugene O. Pohl of Warm Springs. A reception, held in the McCurdy social hall, followed the wedding.

The bride, daughter of Mr. and Mrs. Julien Jensen of Bakersfield, is a graduate of the Bakersfield College and will be graduated from San Jose State in December. She is affiliated with Sigma Kappa sorority.

The benedict, son of Mr. and Mrs. Oscar Pohl of Warm Springs, is a graduate of San Jose State and is presently employed at the California Pacific Title Co. in San Jose. He is also an Ensign in the Naval Reserve.

The just-weds are living in their new home in Warm Springs.

Fire Fighting In Yosemite

Johnny Conner, son of Mrs. Flora Conner of Niles, is climaxing a summer of the usual routine activity as a forest ranger in Yosemite with what is proving to be quite an adventure. He, and the other forest rangers in the valley, have been exerting every effort to quell the big forest fire. They have been fighting the fire for weeks now, with the assistance of 200 soldiers from Fort Ord. According to the last letter Mrs. Conner received from Johnny, he is at present battling the blazes at Tuolumne Meadows.

Talking Bridge

After a summer recess, the first fall meeting of one of the township "conversational bridge" groups was held at the home of Mrs. Kenneth Foster on Thursday evening. Members and guests included: Mmes. Warren Gravestock, Ray Truscott, William Mette, Clark Redeker, Vincent Kaehler, Fred Melhase and Samuel Scott.

Centerville Couple Observe Anniversary

Mr. and Mrs. Joe F. Vargas, whose 35th wedding anniversary was on the 17th, were given a surprise party on Saturday night, by his three sisters, at their home on Santos avenue, Centerville. The evening was spent in playing cards with refreshments served at midnight.

Many beautiful gifts were received from the following guests: Mrs. Alice Gabriel, Mr. and Mrs. Tony Branco and son of Oakland, Mrs. May Henry, Miss Anna Vargas, Mr. and Mrs. M. McGuire and daughter, Mr. and Mrs. Kenneth Faria of San Leandro, Mr. and Mrs. Gene Burnham and sons of San Lorenzo, Mr. and Mrs. Robert Mattos and daughter, and Mrs. F. Moseguard of Niles, Mr. and Mrs. Joe Amaral Jr. and family, Mr. and Mrs. Ernest Foster, and David Vargas and Elaine, all of Irvington. On Sunday a dinner was held at their home with just their immediate family attending.

Sunday Barbecue At George Home

Mr. and Mrs. Antone George and son, Marvin, of Niles, hosted a chicken and steak barbecue party last Sunday which proved to be a very jolly occasion. The guests included Mr. and Mrs. William Maffey of Oakland, Mr. and Mrs. T. Daley and son, Norman, of San Francisco, Mr. and Mrs. William Dutra and Ruth Jean and David of Newark, Mr. and Mrs. Dick Abraham of Oakland, Mr. and Mrs. Melvin Oliver of San Leandro, Mr. and Mrs. Edward L. Freitas of Hayward, Mr. and Mrs. Joe Rose of San Leandro, Mr. and Mrs. Frank George and son, Clayton, of Niles, and Miss Lee Horat of Centerville. An afternoon of fun and food was concluded by an evening of cards.

Third Child for Former Irvington Pastor

Those in the township who remember the Rev. Philip Evaul, who was pastor of the Irvington Community Church about three years ago, will be interested in hearing that he and Mrs. Evaul are announcing the birth of their third child, a boy. The Evauls are living in Colombia, in South America. According to word received by friends here from Rev. Evaul the baby is a lusty youngster with "cheeks that stick out like balloons." For those who wish to write congratulatory notes to the Evauls, the following is their address: Apartado Aereo 654, Medellin, Colombia.

New Residents From Okinawa

Interesting newcomers to the township are Colonel Bower, stationed at the Oakland Army base, and his wife, Mrs. Eleanor Jean Bower, who has accepted the position of kindergarten teacher at the Niles school. The Bowers, who have three children, just returned from two years in Okinawa, where Mrs. Bower also taught school. They are living in the Zwissig place on the Niles-Decoto highway.

Off to School

The ranks of the L. E. Bailey family of Centerville will be depleted this week with the departure of two of its members to institutions of learning across the bay. Their younger son, Norman, is returning to the Menlo School for Boys, while the older boy, Evan, will return to Stanford. Their daughter, Anita, will complete her elementary school education this year in the eighth grade at the Alviso district school.

They are the son and daughter of Mrs. Marie Bishop of Niles.

From Pennsylvania

Mr. and Mrs. T. E. Killen, formerly of Pennsylvania, are now making their home in one of the houses on the grounds of the California Nursery. Mr. Killen, an experienced nurseryman, came to California from Pennsylvania especially to take a position with the nursery here. He and Mrs. Killen find they "like Niles very much."

Thinking Things Over...

By VIVIAN BATMAN

Claude Hamm of Niles, neighborhood Boy Scout commissioner, has never been more grateful to his Scout training than he was one day last week when he helped to save a young boy's life.

The almost-tragedy occurred at the swimming pool at Elderberry Park. A ten-year-old Oakland lad, who had been playing on a rubber tube, fell off into the deep water. His absence was not noticed until a youngster exclaimed "there's bubbles coming up from there," pointing to the deep end of the pool. Mr. Hamm dove into the pool and brought the youngster up. He and Johnny Meeker worked on the boy for over an hour, giving him artificial respiration. "If the boy had stayed in the pool a minute longer we couldn't have done anything for him," said the Scouter, and added "I never felt more grateful for my Scout training, for it was in Scouting that I learned artificial respiration."

Three men took the three top honors at the Los Angeles County Fair in the baking division. One man baked a sunshine cake which the women judges acclaimed as "the best we ever ate." I don't see why the men don't stick to their hammers and their saws and let us women take care of the kitchen. Is there no way left for a woman to achieve fame?

Which reminds me that a yarn shop in Lafayette is advertising a knitting class for men. Now mind you, I don't disapprove of men knitting if they're invalids or can't take up any more strenuous activity, but to see a big strapping fellow whipping out a pair of knitting needles from a bag would send me into convulsions . . . or do they carry their knitting needles in their hip pockets?

ADVERTISING DOES IT

Macy's Department Store of New York and San Francisco is considering a location in San Jose. That would lead one to believe that their San Francisco store has been such a success that they want to open new stores in the bay area. I'll be willing to wager that their San Francisco store has been successful for one big main reason—advertising! Have you ever noticed the Macy ads in the city papers? But how could you help noticing them! Macy's uses large space, advertises every day, and uses distinctive ads. They're not letting the public forget them for a minute! (Is there any underlying motive in my mentioning this? Why, of course not!)

IS IT TRUE?

I was reading an item somewhere the other day in which the writer maintained that everyone is disliked by someone. Now that isn't a very pleasant thought (I immediately went over the list of people I know and asked myself "Now I wonder if she dislikes me?") and I don't know why I bring it up except to say to anyone who may have read the same article that I don't believe it!

I have known people—I'll admit they're few in number—who seem to inspire nothing but good will in everyone with whom they come in contact. I can cite an example right here in Niles of a little lady who may try your patience occasionally but I'll bet there's none who actually dislike her. I can also think of a man here in Niles who radiates such friendliness that it would be impossible for anyone to dislike him. There are others—and you could probably name them.

LOOKS LIKE A TOTAL ECLIPSE!

ARE YOU THE ONE?

Have you ever thought that YOU might be needed in Girl Scouting?

This week the Girl Scout organization is putting on a recruiting drive for volunteer workers here in Washington Township. Any woman who has spare time on her hands and fails to answer this urgent appeal is open to criticism by her fellow-citizens. She is a peace-time slacker, differing only in degree from a war-time slacker, because she is ignoring the call of humanitarianism.

The Girl Scout organization in this area has grown tremendously in the past two or three years. This growth should be hailed with delight by all of those who interest themselves in youth welfare. At the same time, as in any organization that has experienced a mushroom growth, the problems accompanying this growth become multiple.

The main problem now is the lack of volunteer workers. No experience is required to be a volunteer worker. All that is necessary is a sincere desire to help where the help is needed most.

Any woman who is hesitating for any reason at all, whether it be from apathy or from an absurd sense of inadequacy, will be doing herself as well as the fine young girls of our community a service by offering her help immediately to the Girl Scouts.

THE TOWNSHIP NEEDS IT

The move to secure a drivers license bureau for the township, which was initiated by the Centerville Chamber of Commerce, is gaining momentum. At its recent meeting the Warm Springs Chamber of Commerce joined other civic groups in putting its stamp of approval on the proposal.

With new residents swelling our township's population, with industries expanding and adding more employees, it behooves those who have the welfare and the progress of our community at heart, to exhort the powers-that-be to lend more than a disinterested ear to our requests for this service.

The license bureau in Hayward may be within easy access of some of our township residents, but for others—especially those who keep regular working hours—the time involved in getting to the Hayward office at certain hours works a definite hardship.

How much more satisfactory it would be to have a license bureau situated in a central location in the township. Even a part-time examiner, located here once a week, would alleviate some of the inconvenience.

Surely a community fast approaching the 20,000 mark in population needs a license bureau of its own!

Now that the movement has been started, it should be encouraged by being given a snow-balling shove from every chamber of commerce and civic organization in the township. Concerted effort, as has been proved time and time again, is the one effective means by which a community can get for itself those things which are urgently needed.

REBEKAH NEWS

Anna Bradford, district deputy president of District 53, Ivy Cull and Olive Pugmire attended the district meeting of District 24 at Burlingame Tuesday night.

Mrs. Estelle Kutzner, Olive Pugmire, Ivy Cull, Fern Mitte and Anna Bradford attended the district meeting of District 7 at Fruitvale Wednesday night.

Anna Bradford will pay her official visit as district deputy president to the Niles Rebekah Lodge on Friday evening, October 1, at the I.O.O.F. Hall in Irvington, according to Mildred Barber, noble grand. Mrs. Barber has appointed the following members to serve on the committee for that evening: Olive Pugmire, Gertrude Davis, Farrell Pugmire, Irene Bales, Ruth Meck, Ruth Andrews, Lou Mosher, Ivy Cull, Irma Wright, Jennie Mohn and Mildred Barber.

The Friendly Sewing Circle is calling attention of all Rebekahs to the bazaar-sower to be held on October 1.

Say you saw it in The Register.

Since 1924, row-crop farmers have been successfully replacing slow, expensive animal power with the fast-moving, economical power of the FARMALL System. Year after year, this rapidly growing number of operators relies on the FARMALL tractor as the most profitable way to control all crops in all four seasons.

Today only an efficient, thrifty power partner can make *you* sure of winning out in your farming business—and with a McCormick-Deering FARMALL, you're playing safe from the start. Owners say, "A genuine FARMALL has 'em all beat for row crops and all crops."

For today's most modern tractor—built by the world's largest tractor builder—choose from the lineup of varied FARMALL models. We'll be glad to demonstrate at your say-so, or give you more details on this great tractor family.

DONKEY BASEBALL ENDS IN TIE AT HILARIOUS GAME

Sprains, aches and bruises were featured Monday night when the Niles Junior Chamber of Commerce and the Washington Township Y.M.I., pushed, pulled and at times even rode their donkeys to a 1 to 1 tie game of Donkey Baseball at the W.U.H.S. baseball diamond before more than 400 hilarious spectators.

After the players and spectators had been instructed as to the rules of the game, the Y.M.I. went into an early lead when their leadoff man, Theodore Garcia, hit a home-run into left field. From then on it was anybody's game, with the players having most of their trouble in reaching first base. In fact, some ended up farther from first than when they started.

Several of the players reached the vicinity of second base only to have their donkeys refuse to stay on base, sometimes returning to first or heading on toward third, with the opposing infield in hot pursuit. Niles J.C. tied the game in the third when Caesar DeGiulio urged his steed around third to score.

The Y.M.I. second team came back strong in the fourth inning, with Don Portola Rose scoring what appeared to be the winning run—only to be sent back to third on a technicality called by Umpire Gus Robertson.

The game was called at the end of the fourth, with both teams running low on players. But the donkeys still looked fresh. They should have: very few times did a player last more than a few second on one's back!

SPORTS

HUSKIES SHAPE UP FOR FIRST GAME

A week away from their first gridiron encounter of the year with Jefferson High of Daly City, the Washington Huskie varsity is shaping up fairly well, according to Coaches Jud Taylor and Clyde Voorhees.

With nearly half of their 40 potential gridsters new and untried material, the coaches this week indicated the following as their most likely squad of 23. (Lettermen are designated "L".

Left end: Alex Morris (L), Lloyd Auchard (L).

Right end: Gil Orozco (L), Don Pine (L).

Left tackle: Bob Lizardo (L), Tommy Gunn, Tommy Hashimoto.

Right tackle: Fred Duffie (L), Red Runulfson.

Left guard: Jim Herring (L), Gene Bettencourt.

Right guard: Willie Funk, Bernard Day.

Center: Jack Gaunt (L), Ed Gurley (L).

Left half: Al Durazo (L), Johnny Recend (L).

Right half Joe Sankene: (L), Max Ayala.

Quarterback Les Kious (L), E. Alvarado.

Fullback: Danny Goularte (L) Mel Lewis (L).

OAKLAND TEAM DEFEATS DECOTO

Weak in the pitching department, the Marlo ball team of Decoto came out on the short end of a 17-4 score last Sunday against the Southern Pacific Stores team at Lincoln Park in Alameda.

The first inning was the worst, with the Storemen tallying 7 runs with 2 hits. All through the game it was a case of too many walks. However, the Oakland team is rated AA, so the defeat was not to be unexpected.

Leonard Kelly, who for the past season played third base for El Paso, was on the Marlo line-up and scored 1 run. Joe Sanchez made 2 runs out of 2 hits, and Tony Sanchez accounted for the other Decoto score.

MODEL CLUB CALLS FIRST MEETING IN NILES

First meeting of a new hobby club in Niles has been set for tonight (Friday) at the Niles Elementary School at 7:30.

The group, to be formed of model airplane and race car enthusiasts, will meet regularly for contests and exhibitions, according to Jim Fitzhugh and Frank Lewis, organizers.

During restoration of Sutter's Fort, workmen panned dirt near the east gate, recovering a quantity of gold dust.

WASHINGTON STARS PLAY SAN LEANDRO FOR SEASON OPENER

The Washington Stars, a football team made up of former Washington High grid players, will start its season Saturday evening at 8 o'clock in Memorial Stadium at Centerville against the San Leandro Redskins.

Last year the local Stars ran up 110 points against none for their opponents in three games. The San Leandro team has played four games this season, winning two and losing two, netting 30 points against 32 for their opponents.

THREE WEEKS PRACTICE

Coached by Lawrence Pine and Johnny Davis, the Stars have been practicing three times weekly for the past three weeks. They have a heavier-than-average line, although the backfield is rather light.

Coach Pine has scouted the Redskins in two games, has studied their weaknesses, and feels he has just the right strategy to take Saturday's game.

LINE-UP

The Washington Stars squad is made of of:

Centers—Wayne Calhoun, Jerry Morley and Julius Pine.

Guards— Barney Bragg, Ken Calhoun, Ruben Lorenson, Donald Bragg and Alden Chamness.

Tackles— Ronnie Oliver, Jack Misner, Chuck Meek and Joe Schelbert.

Ends— Don Furtado, Hayden Freitas, Harold Alameda, Norvell Peixotto and Wayne Davis.

Quarter—Mervin Marshall, Perry Allen and Milton Mohn.

Full—Alex Bernard and Tony Goularte.

Right Half—Mervin Boyce, Eldon Mohn and Moe Olivera.

Left Half—Weldon Pine, Ruben Rodriguez, Ruben Ramos and Vernon Vargas.

SCHEDULE

Schedule of remaining games is:

Oct. 2—Pittsburg Alumni, here.

Oct. 9—Sunset Athletics (San Francisco), here.

Oct. 16—Open.

Oct. 23—South San Francisco Windbreakers, here.

Oct. 31—Castlemont, at Oakland.

DIARY OF A HIGH FLYER

Dear Gus:

Just a few inarticulate thoughts concerning the lives and loves of those flying pals of yours. You left town but I have to stay here and put up with them. Never a dull moment. Center Field Pilots met Thursday night. Secretary Wally Ebright mailed out notice of meeting . . . forgot to send one to himself . . . no secretary . . . no minutes. Max Stevenson gave treasurer's report . . . Bank of America declares dividend but not on our dough . . . Clyde "Yo-Yo" Higuera voted ten points toward Dilbert Trophy . . . Competition is keen. Doc Wilson won the usual raffle . . . a case of oil . . . something phoney . . . he had previously specified the brand and grade . . . choosey about those heaps of his . . . strictly from finance co.

Joe Andrade and Ray Dixon took up a Luscombe after the meeting . . . to check the local neon lights . . . Harvey Kohler and Joe McInerney, all four of them, say there is no future in it. Then Shorty Stammet and Sal Perez wheeled out Miss Patsy and cut a few capers, but with lights . . . sounds like one of our duck hunting expeditions with Ernie Frick.

Big Breakfast Flight to Lodi Grape Festival . . . Nine o'clock sharp at Center Field . . . Shorty, High-gear and Doc take off at 9:30 . . . Doodle-Bug, Miss Patsy and Chughead 2nd . . . all Ercoupes . . . crews and moral influence were June Stammet, Ruth and Patsy Higuera and Bernice Wilson . . . quite a crowd.

Everett Mendenhall and George Rodrigues take off at 10 a.m. Beech Bonanza took the long way and got to Lodi first . . . I guess Wally and Everett got those jugs in the right spots when they topped the motor. Johnny Montero and Pete DeTrant took off at 10:30 in El Diablo . . . Pete doesn't eat breakfast but he is interested in lunch. El Diablo came in over the wires at Lodi with all flaps down and Pete dragging his feet . . . first grape crop ever harvested with an airplane prop . . . messy, but it should make good wine. Breakfast finished at eight bells sharp. . . . Back to the hanger and free wine and grapes for the flyers . . . not to be consumed on the premises . . . gave it all away to local motorists . . . bug house fables. And so uptown to the parade . . . beautiful Queens . . . gorgeous floats . . . wonderful horses . . . lotsa gals . . . hot dogs, peanuts and cokes . . . squalling kids . . . sticky heat . . . aching dogs . . . I'm going home . . . wind her up and let's put the show on the road.

Dr. Tom and Bernice Wilson came back by way of Columbia . . . a luncheon engagement . . .

IRVINGTON TAKES S.F. TEAM EASILY

The Irvington Merchants last Sunday annexed another win, outplaying Cooper-Varni, a San Francisco club, 8 to 3, at the Irvington Elementary School diamond.

Pitcher H. Dutra struck out nine batters, allowing seven hits.

HOME RUNS

Two local players, Chapman and Roderick, scored home runs and Faria hit a three-bagger.

The Irvington boys were on their toes Sunday, making four double plays. It was nip-and-tuck till the fourth inning, but then Irvington scored two runs in the fifth and led the game the rest of the way.

TO PLAY SEALS

Next Sunday the Merchants will play the Junior Seals of San Francisco, a club sponsored by the Seals. The game, starting at 2:30 at the Irvington school grounds, will follow dedication of the new Irvington post office.

Manager Frank Mayer has scheduled a game with San Quentin for October 3. For obvious reasons, the game will be played there. Following an evening of festivities at the Maple Hall rink on Saturday, October 3, at which the team will be honored and entertained by the Chamber of Commerce, the San Quentin game is a source of worry to Manager Mayer.

TRUST NOBODY

Although the game behind prison walls is set for the noon hour, the team must be at San Quentin by 9:30 to undergo thorough inspectoin to make certain that no one is carrying contraband hack-saws or cold-chisels to the con ball club.

QUESTIONNAIRES ON DRAFT MAILED

Questionnaires to all draft registrants presently are being mailed out, according to Manuel Lewis of Centerville, secretary of Local Draft Board 54. They must be returned to the board within 10 days, he stated.

First to receive the questionnaires will be the higher age groups, starting at age 25 and working down to 19-year-olds.

Classification notices will be mailed after the board studies the questionnaires.

PEERLESS STAGES ADDS NEW BUSES

The Peerless Stages, Inc., which operates through Washington Township, had added four new streamlined coaches during the past month, bringing the total to more than 40 modern buses now operated by the company here.

The announcement was made by H. D. Gaeta, president of the company, who pointed out the company's motto, "The public demands are our commands." The new stages operate from the stops here every 30 minutes during the day and as scheduled during the night hours.

HOBBY SECTION LEARNS SOME FLORAL TRICKS

Mr. Knodt, of Knodt's Flower Shop, was the main speaker at the regular supper meeting of the Hobby Section of the Country Club held last Tuesday evening at the home of Mrs. E. M. Grimmer Jr. in Niles, with Mrs. Jed Oxborrow as co-hostess.

Mr. Knodt gave some interesting pointers on flowers, not only on their care but on arranging them. In the presence of the 20 members, he did some dry arrangements.

ALVARADO PHONES GO DIAL OCTOBER 5

The new dial system in Alvarado will start operation at 11 o'clock on the morning of October 5, according to advice from the Pacific Telephone & Telegraph Company.

New telephone directories for use after that hour, listing all the new numbers, will be issued to subscribers shortly, it has been announced.

SCOUTS PREPARING FOR BIG CIRCUS

Over 6,000 Cubs, Scouts and Senior Scouts are working vigorously in putting together their acts for the Oakland Area Council's gigantic Scout Circus, to be held October 14 to 16 in the Oakland Municipal Auditorium.

Cub Scouts are making costumes, practicing games, tumblings acts, preparing pageants, Indian dances and hundreds of other activities as their part in the show. Scouts are cutting timbers for use in the building of huge signalling towers, bridges and other pioneer constructions. Fire by flint and steel, fire by friction, knot tying, rope climbing acts, safety demonstrations and dozens of other Scouting skills are being rehearsed by over 3,000 local Scouts.

Advanced activities including rigging of sailboats, camping and burro packing are some of the acts to be put on by Senior Scouts.

Clowns and colorful demonstrations will create a circus atmosphere for this 4-ring affair which will include over 150 acts. The Circus takes place midway in the Community Chest campaign, October 1 to 23. The Oakland Area Council is a participating agency.

Two Weldonian bands, including the one from Turlock, will furnish the music for the Circus. The combined bands numbering 180 pieces will play for the Saturday night performance.

DIARY OF A WEEK-END FLYER

(Continued from Page 7)

breakfast at 11:45 . . . lunch at 12:30 . . . "Low-Gear" Higuera says that flying has ruined his feet . . . the airports are so far from town . . . Doc says the food will be his downfall . . . the perils of flying. Doc took off from Columbia with full tanks and no appetite . . . no wind and hotter than . . . still taking pine needles out of the landing gear . . . unfair to Davey tree surgeons.

Red Wilson took his B.T.13 up to Santa Rosa to fill a tennis engagement . . . lotsa fog . . . but he won his match so his trip a la steam room was worth it.

I'm not entirely familiar with the agenda for the coming week-end . . . a trite phrase . . . but if I'm any judge of physiology, the boys will be nursing their feet and their ulcers for a week or so. Week-end flying should be a compulsory training routine for all Olympic Decathlon contestants . . . if they survive, they are a cinch to win.

Well Gus, that will give you a few ideas of condition since the Republicans took over Congress . . . conditions are still prevailing . . . and some people find life such a bore. I don't have to tell you . . . remember the time you radioed the tower that you had run out of gas . . . call out the Coast Guard . . . call out Air Search and Patrol . . . and they found you in Hangar 2 yelling for the gas truck. Never a dull moment . . . that's the week-end flyers. More anon, if this gang run true to form. Adios.

CUB SCOUTS SEE FOOTBALL GAME

The Centerville Cub Scouts and the Centerville Elementary School Junior Traffic Patrol attended the San Jose State-Stanford football game in Stanford stadium last Saturday afternoon.

Attendance was made possible through the cooperation of the Centerville Elementary School P. T.A., the Centerville Cub committee, and the Centerville Elementary School Board of Trustees.

The excursion was planned by Principal Tom Maloney, who accompanied the boys.

FOLK-DANCING CLASS HAS LARGE ENROLLMENT

Because of an unexpectedly large registration for the beginners folk-dancing class, given under the adult education program of the high school, the class will have to meet hereafter in the Alvarado School auditorium, rather than at the music room at the high school.

A total of 42 persons signed up, according to an announcement from Mrs. Frances Mara, folk-dancing instructor. The class is not closed, however, and anyone interested in learning is invited to attend the next meeting at Alvarado next Tuesday from 8 to 10. It isn't necessary to come in couples. Single men and single women are invited. There is no charge.

GIRL SCOUTS

(Continued from page 1)

ing are as much needed as the adult who is able to devote three to four hours a week for troop work," she continued.

"Every little job relieves an active leader of added time taking details," she said.

Volunteer workers are desperately needed to act in the following capacities: troop leaders, program consultants, troop committee members, volunteer trainers, telephone committees, assistant leaders, as well as many small jobs and emergency fill-ins.

"If you have (1) an interest in girls and the desire to help them become the kind of women and citizens our country needs, (2) belief in the ideals expressed in the Girl Scout Promise and Laws, and in the democratic principles that guide the organization, and (3) willingness to join the movement and serve it actively, then we need you today," said Mrs. Vervais.

Girls from seven years old and up in the Niles, Centerville, Irvington, Mission San Jose, Newark, Alvarado and Decoto grammar schools are eligible to become Brownies or Scouts, regardless of race, creed or color. Community cooperation and guidance will play the main part in whether or not these young girls will be enabled to participate in the activities of the international Girl Scout organization.

Women interested in volunteering their services are urged to contact Mrs. Vervais, Niles 4597, or Mrs. Orsetti, Centerville 99-J, in the event they are not reached during the week-long campaign.

State mental hospitals in California were accommodating more than 14 per cent over capacity at the end of June this year.

IT'S A SMALL WORLD!

It's a small world when you can sit in a theater in Saudi, Arabia, see a newsreel taken in Berlin, Germany, which pictures a boy whom you knew back in Newark, California.

Miss Leona May, of Newark, who is presently employed in Arabia, had the above interesting experience happen to her recently. In writing home to relatives she said, "I was in a theater in Saudi witnessing a newsreel that was taken in the American zone in Berlin when suddenly there flashed on the screen the picture of an M.P. guard. I was startled at seeing a familiar face and instantly recognized Junior Machado (Joe Machado Jr. of Newark.)" Miss May went on to relate that he appeared three different times in the newsreel. She added that it was certainly a thrill to see the face of a Newark neighbor. The newsreel was titled "News of the Day."

VFW AUXILIARY REPORTS SUCCESSFUL PROJECTS

The Auxiliary of the Paul Edward Rivers Post No. 7906 made their quarterly report recently, showing that some highly successful and important projects have been accomplished. Among them were the donations made to the Cancer Fund, and the sending of records to Livermore Hospital.

At the next meeting, October 13, they will honor the District President on her visit, by initiating Mary Pine, Emily Noia and Mary Vargas in her presence.

During the social hour of the last meeting, Lorraine Silva received a gift for her baby girl and Mildred Silva for her baby boy.

FINAL RITES TODAY FOR VETERAN OF WORLD WAR I

A World War I veteran, Manuel Azevedo, succumbed in the Veterans Hospital in Oakland last Tuesday at the age of 59. A native of Mission San Jose, he is survived by the following: a brother, Joseph Azevedo of Mission San Jose; a sister, Mrs. Isabel Perry of Castro Valley; and the following nieces and nephews, Mrs. Mary Souza, Joseph Azevedo Jr., Edward Azevedo, Mrs. Joseph Garcia, Mrs. Irma Vargas, all of Mission San Jose, Mrs. Katherine Burt of Centerville, Mrs. Madeline Guerra of Castro Valley, Isabel Perry of Jamestown, and Elvin and Dorothy Andrade of San Francisco

He was a member of the Washington Township Post, American Legion, and of the U.P.E.C. Council No. 10 of Centerville.

Services will be held this morning (Friday) from the Chapel of the Palms at Centerville at 8:30 with a 9:30 mass at St. Joseph's Church in Mission San Jose and interment at St. Joseph's Cemetery.

CUBS MAY HAVE SOAP BOX DERBY

The Centerville Cub Pack may go in for the sport of building and racing soap box cars next year, it was indicated at a meeting of the Cub committee Monday evening at the Centerville school.

The suggestion was made by Richard Mendonca. Sponsorship of the activity has been assured by the Central Chevrolet Company.

Woodworking and leather craft were also suggested as activities.

The Cub committee consists of: Allan Walton, chairman; Tom Maloney, advancement; Richard Mendonca, secretary; Karl Nordvik, Cubmaster; George Roderick, treasurer; Mrs. Warren Gravestock and Mrs. Ruth Vierra, den mothers.

Rocks, contrary to popular fancy, are elastic.

WE CAN TAKE GRANDPA FOR A TRIP NOW THAT WE GOT OUR CAR FROM
Richards & Meier
BUT WHERE OTTO?
ANYWHERE -- BLINDFOLD ME AND I'LL PICK A PLACE ON THE GLOBE!
O-K
THIS ISN'T TH' KIND OF TRIP I EXPECTED --- OTTO SPUN MY HEAD AROUND TWICE AND POKED ME IN TH' EYE!
